

Airport App

Custom Airport Application For Mobile Devices

Retain your airport customer base!
This App will build your brand and have the fliers thinking about their favorite airport, not which airline services them best.

The information displayed in the app is the most up-to-date, automatically.
Configure custom flight text alerts.

- Automatic Flight Information Updates
- Terminal Layout and Facility Map
- Parking Options and Rates
- Airport and Local Weather
- Ground Transportation Information
- Airlines and Flight Destinations
- Text Alerts on current flights

Airport App

Custom Airport Application For Mobile Devices

Passengers, meeters, and greeters have one source for all airport information. Provides accurate current status of all flights.

Provides a clear summary of the airport services for the landside.
